## MARKETING INSTITUTE OF SINGAPORE TRAINING CENTRE POLICY ON ENVIRONMENT HEALTH AND SAFETY

The Marketing Institute of Singapore Training Centre is committed to providing a safe and healthy environment for all staff, students, faculty and visitors. MISTC recognises that safety to our students, staff, faculty and visitors is crucial, and we are committed to achieving high standards in environmental, health and safety (EHS) practices. Workplace safety and health is an integral part of providing a conducive environment for teaching and learning.

The following outlines our management approach and commitment to EHS:

1. The Institute shall comply with all applicable legal requirements, such as the Workplace Safety and Health Act.
2. Health and safety issues are addressed with equal importance as the Institute's policy on productivity and quality.
3. Health and safety is the responsibility of every staff, students, faculty and visitors in the Institute.
4. The EHS policy is communicated to all levels of the organization and to visitors.
5. Continue to work towards maintaining an accident-free record for each month.
6. Employee, faculty and students are provided orientation and training in safety matters and on safe work procedures.
7. Encourage feedback and sharing on EHS issues and strive to make the working environment a healthier and safer place to be in.
8. The EHS policy is reviewed periodically and amended as and when required.
9. Engage the Health Promotion Board and general practitioners in conducting health-related talks, no-smoking exhibitions, anti-drug abuse talks and health checkups.
10. Optimize resources and energy consumption and reduce waste and recycle to prevent pollution of the environment.
11. Integrate EHS considerations in our activities; hence preventing any adverse Impact of our products and services on the environment and the health and safety of our staff, customers, and other interested parties.
