

MARKETING INSTITUTE OF SINGAPORE TRAINING CENTRE POLICY ON ENVIRONMENT HEALTH AND SAFETY

The Marketing Institute of Singapore Training Centre (MIS Training Centre) is committed to provide a safe and healthy environment for all staff, students, faculty and visitor. MIS Training Centre recognizes that safety to our staff, students, faculty and visitor is crucial and we are committed to achieving high standards of environmental, health and safety (EHS) practices. Workplace safety and health is an integral part of providing a conducive environment for teaching and learning.

The following outlines our management approach and commitment to EHS:

1. The Institute shall comply with all applicable legal requirements, such as Workplace Safety and Health Act.
2. Health and safety issues are addressed with equal importance as the Institute's policies on productivity and quality.
3. Health and safety is the responsibility of all staff, students, faculty and visitors of the Institute.
4. The EHS policy is communicated to all level of the organization and visitors of the Institute.
5. Continue to work towards maintaining an accident-free record for each month.
6. Employees and students are provided with orientation and training in safety matters on safe work procedure.
7. Encourage feedback and sharing on EHS issues and strive to make working environment a healthier and safer place to be in.
8. The EHS policy is reviewed periodically and amended as and when required.
9. Engage the Health Promotion Board and general practitioners in conducting health-related talks, no-smoking exhibitions, anti-drug abuse talk and health checkup.
10. Optimize resources and energy consumption and reduce waste and recycle to prevent pollution of the environment.
11. Integrate EHS considerations in activities; hence preventing any adverse impact of our products and services on the environment and the health and safety of our staff, customers and other interest parties.
